Eligibility Requirements:

- Kennewick Irrigation District must have adequate water entitlements available for allocation.
- The transfer of the water will not cause the assessed acreage of the District to exceed the District's total maximum irrigated acreage of 20,201 acres under the District's water right.
- The canal system can deliver the transferred water within its design limits.
- The water will be put to beneficial use, as inspected and approved by the KID, must be operational (delivering irrigation water) within 36 months of the granting of the Certificate of Allocation or the applicant will forfeit the entitlement to the KID.
- All owners of the land must sign the Water Entitlement Allocation application form. If acting as Power of Attorney, provide proof of signatory authority to sign for other owners, the corporation, entity, LLC, etc.
- All eligible applicants will pay a non-refundable application fee in accordance with the current KID Fee Schedule good for 3 (three) years. After 3 (three) years, if an allocation has not been made, a new application must be submitted. The costs associated with the design and construction of the delivery system will be the sole responsibility of the property owner and must meet the current requirements and specifications of the KID.
- The KID will inspect the system design and approve the final system installation, at the requestor's cost, at the rate set forth in the current KID Fee Schedule.
- Applications completed before June 1 will be assessed during the subsequent calendar year in order to comply with the budgeting and Board of Equalization requirements as specified in RCW 87.03.250
- Water resulting from an approved water entitlement allocation will be available at the beginning of the water year for which it is assessed.
