**KENNEWICK IRRIGATION DISTRICT  
RESOLUTION 2013 - 22**

**CHANGES TO PARCELS AND IRRIGATION  
WATER ALLOCATIONS IN THE  
RED MOUNTAIN SOUTH LID #192**

**WHEREAS**, the Board of Directors of the Kennewick Irrigation District (District) met in open public session on September 17, 2013 with a quorum present, and

**WHEREAS**, the initial assessment roll for the Red Mountain South Local Improvement District (LID) #192 was approved by the Board of Directors in September 2009 and a subsequent resolution approved in August 2013 further modified the 2009 resolution; and

**WHEREAS**, the District, as an owner of property within the boundaries of the LID, segregated larger parcels into 20 +/- acre parcels resulting in further refinement of the water allotment because the initial allotment was given to the mother parcel; and

**WHEREAS**, after consultation with the District's Bond Counsel, it was determined that the Board of Directors may allow individuals who initially signed a petition requesting to be included in the LID to opt out of the LID as long as there is no negative impact to the remaining individuals remaining in the LID, and since the LID has not had its final confirmation hearing, individuals may be added or removed to the LID; and

**WHEREAS**, one legal owner of the parcel identified on Attachment "A", located within the boundaries of the District totaling, have requested that their parcels be added to the Red Mountain South LID and the District has been unable to make contact with an individual who made the request in past years for an allocation cannot be reached to verify that they in fact want an allocation after repeated attempts by certified mail; and

**WHEREAS**, the District has confirmed that including another parcel described on Attachment "A", will not cause the assessed acreage of the District to exceed the District's total maximum irrigated acreage of 20,201 acres or cause the Red Mountain South LID project to exceed 1,785 acres,

**NOW, THEREFORE, BE IT RESOLVED** that Resolution No. 2013-08 is hereby adopted by the Board of Directors of Kennewick Irrigation District, Benton County, Washington, at an open public meeting this 17<sup>th</sup> day of September 2013.
