- a. The initial estimated amount to pay for improvements in full is **\$1,146.00** per irrigable acre.
- b. If not paid in full by October 31, 2017, an annual surcharge of **\$148.41** per acre will be added to the KID billing to the property as a separate Capital Charge, with equal one-half (1/2) installments due on April 30 and October 31 of each year, beginning on April 30, 2018, for ten (10) years.
