RE: 12th Avenue Road Closure Notice

Dear Property Owner:

This notice is to inform you that the Kennewick Irrigation District (KID) has completed the installation of the irrigation main installation and will be performing street paving across S. Morain Street and in the shoulder of W. 12th Avenue, as weather permits. KID is planning to temporarily close a portion of W. 12th Avenue during paving. Road closures will be open all other times. A map with the location of the closure has been attached on the backside of this page for your convenience. Paving has not been scheduled, but will occur once the ground has dried out and as weather conditions permit. KID will be communicating with homeowners prior to performing paving. Any updates to the schedule can be found on the KID website at www.kid.org, under the "News" tab.

Please note, paving will occur on the south side of W. 12th Avenue. During construction it will be important for you to temporarily move any vehicles parked on the south side of W. 12th Avenue.

We express our appreciation to you for your cooperation during this project and apologize for any inconvenience it may cause to your commute. This project, one of many rehabilitation projects, is funded by your capital assessment dollars and will replace KID's aging infrastructure and delivery system for your property.

If you have any questions or comments, please feel free to contact one of our Customer Service Agents at 586-9111 or Darin Arbogast, KID Project Manager directly at 586-9111 ex. 113 or via email at darbogast@kid.org.

Sincerely,

Ben Woodard, P.E.
Assistant Engineering Manager

W. 12th Ave. ROAD CLOSURE

ROAD CLOSURE
AREA: W. 12TH AVE.
