

## DETERMINATION OF NON-SIGNIFICANCE

File No. TD 2020-01

**DESCRIPTION OF PROPOSED ACTION:** The proposal will improve Kennewick Irrigation District's (KID) Willowbrook Pump Station to supply irrigation water to the new Clearwater Creek subdivision. Improvements include demolition of the existing pump station building, construction of a new and expanded pump station building, installation of pumps, pond suction lines, and siphon pipes, regrading of the existing irrigation pond and earthen access road, and installation of 8- and 12-inch pipelines to connect to the existing subdivision facilities.

**PROPONENT:** Kennewick Irrigation District

**LOCATION:** The proposal includes tax parcel numbers 101882000001003 and 101882000001002, entirely within Section 1 of Township 08 North, Range 28 East of the Willamette Meridian.

**RESPONSIBLE SEPA OFFICIAL:** Alicia Pettibone, RH2 Engineering, Environmental Project Manager, Acting for Seth Defoe, KID Land & Water Resources Manager

### THRESHOLD DETERMINATION:

KID, the lead agency for this proposal, has determined that the proposal will not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under RCW 43.21C.030 (2) (c) and Chapter 197-11 WAC. This decision was made after review of a completed SEPA Environmental Checklist dated November 8, 2019 and other information on file with the lead agency. The responsible official finds this information reasonably sufficient to evaluate the environmental impact of this proposal. This information is available to the public on request. The checklist attachments and reference documents can be viewed at [www.kid.org](http://www.kid.org).
