**Action Description:** Kennewick Irrigation District Policy 4.3 – Proposed Plats and Short Plats within KID boundaries will guide the district’s response to proposed plats and short plats within KID boundaries. Pursuant to RCW 58.17.310, whenever the Kennewick Irrigation District (KID) receives notice of application for approval of any plat or short plat of a subdivision that lies in whole or in part within KID’s boundaries, KID will submit to the responsible administrator a statement that contains information and/or conditions for approval that KID deems to be necessary regarding the proposed plat or short plat upon the structural integrity, including lateral support, of KID’s facilities, other risk exposures, and the safety of the public and irrigation district.
