

PUBLIC NOTICE
KENNEWICK IRRIGATION DISTRICT
NOTICE OF MITIGATED DETERMINATION OF NON-SIGNIFICANCE

TD 2020-04

NOTICE IS HEREBY given that the Kennewick Irrigation District (KID) has issued a Mitigated Determination of Non-significance under State Environmental Policy Act Rules (Chapter 197-11 WAC).

Action Description: The Main Canal Lining from Milepost 8.9 to 12.8 Project will consist of the placement of lining material onto an existing earthen section of the KID Division II Main Canal. The work will consist of clearing vegetation and removing earth from the canal prism to bring the canal back to a consistent cross-section, grading, and re-establishing a maintenance road on the backside of the canal, and installing lining material in the canal prism. The project will occur along approximately three and nine tenths (3.9) miles of the KID Division II Main Canal.

After review of a completed environmental checklist and other information on file with the agency, KID has determined that the proposed action will not have a probable significant adverse impact on the environment. This determination is based in part on mitigating terms and conditions prescribed in the Mitigated Determination of Non-significance.

Public Review: Interested parties may view the Mitigated Determination of Non-significance and associated technical support documents on the KID website at www.kid.org.

Comment Period: KID will not act upon this determination for a period of at least fourteen (14) days. The public is invited to comment on this Mitigated Determination of Non-significance by submitting written comments to the e-mail address listed below. To be considered, all comments must be received by KID by the close of business on November 18, 2020.
