WHEREAS, the Board of Directors of the Kennewick Irrigation District has established a General Purchasing Policy 2.13 that establishes the rules for acquiring services, contractors, materials, supplies, and equipment; and

WHEREAS, RCW 87.03.435(3)(c) provides for establishing the purchase price by direct negotiation if the purchase is clearly limited to a single source of supply or to purchases involving special facilities, services, or market conditions, in which instances the purchase price may be best established by negotiation; and

WHEREAS, pursuant to KID General Purchasing Procedure 2.13, Paragraph 6.3.1.5, a sole source purchase may be approved if there is a need for a used item that can be purchased through a distributor, that would represent a good value and is advantageous to KID; and

WHEREAS, KID has on-going Operations and Maintenance Needs for a Day Cab Tractor and Side Dump Trailer; and

WHEREAS, KID has a Capital Improvement Program that includes improvement projects that require this equipment; and

WHEREAS, Capital improvements will continue in the future, and this equipment will be necessary for these ongoing activities; and

WHEREAS, during the evaluation process for the purchase of a new truck with side dump trailer, it was brought to our attention that Iron Horse Equipment has available a used 2013 Kenworth T800W truck with a used 2017 SmithCo side dump trailer for \$150,000; and

WHEREAS, through an analysis, the cost of ownership per year of this used equipment is \$6,818, which is a significant cost savings compared to other comparable equipment options, which represents a market condition in which the purchase price is best established by direct negotiation; and

WHEREAS, this used 2013 Kenworth T800W truck with a used 2017 SmithCo side dump trailer represents a unique situation that is of good value and is advantageous to KID;

NOW, THEREFORE, BE IT RESOLVED that the Kennewick Irrigation District Board of Directors waives competitive bidding, and authorizes the purchase of the aforementioned used 2013 Kenworth T800W truck with a used 2017 SmithCo side dump trailer for a total amount of \$150,000 plus applicable fees and sales tax, to be paid from the Capital Upgrade and Improvement Fund.
